Your Gateway to IP Transactions

We are finally getting our internet advertising program off the ground and we have advertising opportunities for retailers that carry our products! We are developing three web pages for advertising as the sample above. These will be located at the following internet addresses:

www.turneroriginalsbigandtall.com
www.goincoastalbigandtall.com
www.bigntallpockettees.com

Each retailer ad is sized at 120 X 240 pixel and are offered **FREE** to retailers who carry our products!

We will also be developing a partnership with our retailers on our blog, Livin' Large Nation (www.bigntallnation.com) and through our various other social media activities (Myspace, Facebook, and Ning) and information on these opportunities will be forthcoming. We will also be broadening our email and direct mail advertising to include our retailers shortly!
